Saturday 9th March

An amateur's album

In the 1880s and 1890s more people began to take up photography as a hobby. They collected their photographs in albums. Have a go at making a tradition-style photo album to display your own pictures.

Saturday 13th April

Game face

Join us for some portrait drawing games. Challenge your friends and family!

Cameras use light to take photographs. Come and experiment with light and create your own shadow puppet.

Saturday 20th April

Sun Prints

Design your own head on a polystyrene egg.

Saturday 23rd March

Changing faces

In the new exhibition, *Artists by themselves*, there are lots of faces. Be inspired to create a face mix and match book.

Saturday 27th April

Hats galore

Many more people in the past wore hats every day. Spot them in the portraits in the exhibition and try your hand at fashioning a paper hat.
